Dear Gary,

On behalf of the Chevron Office of Global Diversity and our ENABLED Employee Network, I would like to thank you for speaking at and facilitating our group discussions at the Diversity & Inclusion Festival on July 1<sup>st</sup>.

Many of the attendees expressed appreciation for your honest and heartfelt insights into the challenges of people with disabilities. Others told us that they gained deeper understanding into their own stereotypes and predispositions in the discussion that you facilitated.

I was particularly pleased that you brought openness to a topic that many people are not familiar with nor comfortable discussing especially in a large group setting. Everyone very much appreciated the practical tips on disability etiquette so we have provided them all with a copy of your presentation.

Thank you again for sharing not only valuable information about people with disabilities but for sharing yourself as well. It was a privilege to have you at our event.

Sincerely,

A handwritten signature in black ink that reads "Miriam Lopez". The signature is fluid and cursive, with a long horizontal line extending to the right.
